PARENT'S BOOKLET CLASS-KG Session 2021-2022

Dear parents,

Greeting from Seth Lingaya's Public Schools!

The decision as to where will one's child be schooled is one of the most important decision a person makes in his/ her life. As it is said that number of years a student spends with a school shape or break that individual, so there is great power and greater responsibility in the hands of the school.

Dancer, Doctor, Astronaut, Engineer, Sailor, Entrepreneur, painter-what was your Dream when you were growing up? Did you dream of climbing mountains, studying insects or discovering a new planet? Did you want to be the Prime Minister of the nation? It all starts with a thought. Thoughts make us who we are. They enable us to become who we want to be. We all grow up with dreams of the future. But are we able to realize them fully is the question. Do we find the means and the resources to become who we thought we should be?

Let your child dream big and realize his/her potential.

At Lingaya's, we focus on enhancing the unique identity your child has-character, scholarship and humanity. Learning is a sacred endeavor for our team. The focus and purpose of education will be to think beyond the classroom learning. We will conduct the activities and lessons that will transport the child to the wonders and glories of art, music, culture, science and above all the deep rooted Indian values.
