Point to Remember (General)

- English is the medium of instruction at our school. As a result, it is mandatory for all students and teachers to use English for academic work and for conversation in school.
- As a school, it is our aim and concern to develop the behavior of the scholars. We need the cooperation of parents to accomplish this.
- When a student bothers his/her own schoolmates inside or outside the school premises or in a locality, the principal is likely to reprimand the student.
- Principal may refer students to clinical psychologists, psychiatrists, doctors, or therapists for proper advice and behavior correction. A clinical psychologist / counselor psychiatrist / doctor / therapist's report could be required before a student is allowed to restart the course.
- All students must be orderly, quiet and purposeful when they are on the school campus.
- Students should wear school uniforms.
- Students must trim their nails. Teachers and monitors / prefects will inspect the nails.
- Students must obtain permission from their class teachers before entering and leaving a classroom
